MEMORANDUM TO: Chief, Economic Research Area, ORR

SUBJECT: Appreciation for Training and Orientation for

25X1A9a

25X1A9a 1. I wish to take this opportunity to thank you and the members of the Economic Research Area for the courtesies which were extended to [REDACTED] during her tour of duty with ORR in March 1963.

2. She informs me that briefings by Area branch and division chiefs plus informal discussions with individual analysts and staff personnel gave her a deep appreciation of the responsibilities and problems with which ORR is faced. She has highly recommended that all Contact Division case officers and contact specialists be afforded the same opportunity that she was and I hope that you will be amenable to future requests for such training for other CD/CO personnel. In return I would welcome the opportunity to provide reciprocal briefings for ORR branch and staff members.
